Privacy policy

Hofemeier Einbauküchen GmbH records personal data on certain pages of this Internet presentation, insofar as legally permissible under German Law. Disclosure of personal data is voluntary. Beckermann Küchen GmbH stores the user data (such as name, data of birth, postal or email address and telephone number, etc.) solely for provision of the services offered. The data are communicated to the competent unit within Hofemeier Einbauküchen GmbH. These data are disclosed to third-party companies only subject to the consent of the persons involved.

General data in connection with use of these webpages (such as for example number of visits, pages visited, duration of use) are stored by Beckermann Küchen GmbH and are analysed in order to study the acceptance level of the individual webpages. Unless otherwise indicated, these data are recorded anonymously for statistical and market research purposes.
